

THE CANADIAN SHIELD

Medical Face Shields

MADE IN ONTARIO, CANADA

As this pandemic evolved over the past weeks, InkSmith set out to find a way to help and contribute to the fight against COVID-19 in Canada.

Using our existing tools and infrastructure, we've developed medical face shields to protect frontline hospital and health care workers from infection

Features:

- Sterilizable and Reusable
- Adjustable to all head sizes
- Designed in collaboration with Ontario medical professionals
- Manufactured in Canada with local suppliers

MDEL 11655 (Company ID 151799)
